November

Projects

Lagoon: The demolition phase of the Lagoon Maintenance Project is almost complete. The next phase, installation, will start in about two weeks and is scheduled to be completed by December 31, 2018. Following that we will start the selection of the types and number of plants, and possibly trees, to be planted. The planting will take place in March and April and the entire project will be completed by the beginning of May. We plan on having a big celebration at the completion so please stay tuned for further details.

Storm Drains: The storm drains cleaning project was a success. We even had a nice rain about a week after the cleaning and all was good.

Meet the Candidates Forum: We had a great turn-out at the Meet the Candidates night on October 9th and it was another successful event for the Shores. Mayor Bailey told me afterwards that it was one of the best community forums he has ever held. He was very complimentary of our homeowners and our Beach Club. We look forward to our next Town Hall meeting with the Mayor.

Upcoming Events: In addition to our normal regular events, such as Bingo, Line Dancing, Wednesday and Friday live music, we have a very popular entertainer, Danny Z, back on November 30th to perform songs by Buddy Holly, Michael Jackson, the Beatles, and others. This will surely be another sold-out event. We also have our ever-popular New Year's Eve party to look forward to. I want to again thank the Beach Club Advisory Group and staff for doing a great job. The Beach Club is a great place to hang out and have some fun.
