

Winter “No Heat” Pool Schedule

During non-Summer months, in an effort to conserve energy, as well as perform needed maintenance on our pools, there will be one pool at a time *not heated*.

The “No Heat” schedule for 2018 / 2019:

(The pools and pool areas will still be open for use, unless otherwise stated)*

#1: Mon, October 29th - Mon, December 10th Cabrillo Pool

#2: Mon, December 10th - Mon, January 21st Roeder Pool

#3: Mon, January 21st - Mon, March 4th El Camino Pool

#4: Mon, March 4th - Mon, May 20th Beach Club Pool*

(Pool and pool area to be closed for resurfacing)

Please note that the remaining 3 pools will remain heated during each “no heat” cycle. Please feel free to enjoy any of them at your leisure!
