OUT & ABOUT at THE SHORES *January*

Projects

Lagoon: The good news is that the Lagoon is progressing along very well. We have had many challenges over the past few months but it is still scheduled to be completed by May 1, 2019. This includes the water feature portion and the surrounding landscaping. I know it has been over two years since we had water in the lagoon but we are getting closer to completion. I am sure it will be well worth the wait. Thank you again for your patience.

L&R Office: Last month we sustained major damage due to the storm that flooded much of Coronado. The L&R Office was completely flooded from one end to the other end. As a result, we had to relocate the office to a temporary office trailer located in the parking lot between Cabrillo Tower and the tennis courts 1-6. We are fully operational and expect to be located there for the next 3 - 6 months.

Upcoming Events

Looking Forward to 2019: In addition to the lagoon being completed by May and the L&R office back in operation within the next few months, we are going to do the following projects in 2019; install LED lights on tennis courts 4 and 5, purchase new pool furniture and umbrellas for Cabrillo and Roeder pools, and resurfacing the Beach club pool. In addition, we will be making interior improvements to both the Beach Club and Roeder Pavilion.

Happy New Year 2019

The L&R Committee and staff want to wish you and your family a safe and Happy New Year!
