

OUT & ABOUT at THE SHORES *February*

It looks like May is going to be the month! We have four big projects that will be completed by the end of May of this year. The Lagoon project (water feature, waterfalls and landscaping) will be completed by the end of May and it will be fantastic! The Beach Club pool will be refinished with new plaster, new tiles and coping stone and the surrounding concrete deck will be repaired and sealed by the middle of May. We have also ordered new pool furniture (table, chairs, chaises and umbrellas) for Cabrillo and Roeder pools and is due to arrive mid-May. Lastly, L&R Office (in the basement on the north end of Las Palmas) will be fully operational by May. As you may have heard, we were completely flooded out with the big storm in December and had to relocate our office to a temporary location in a trailer adjacent to Tennis Courts #1-6.

As you all know, the lagoon has been empty for over 2 ½ years. However, we are getting real close to completion. We had a landscape architect, David Reed, assist us with the overall design of the feature itself along with the landscape and hardscape. Bear Valley Waterfeatures Inc. is the contractor for the lagoon. We are putting the landscape portion of the project out to bid to three local San Diego landscape companies and the L&R Committee will select the contractor for that project. Currently, the three waterfalls have been built with real boulders, as opposed to the faux boulders used in the previous construction. We have also upgraded the plumbing to those waterfalls and lagoon itself. The liner for the lagoon comes with a written 20-year warranty but it should last much longer than that. The concrete covering to the liner will be a light tan color to look more natural. Although this is a man-made lagoon, we are trying to make it look as natural as possible. We are also paying particular attention to the surrounding trees and plants to ensure not only aesthetics but also longevity. We are very excited to complete these projects before the summer residents arrive.

Lastly, please join me in welcoming our new Beach Club manager, Michael "Mick" Cagney. Mick comes to us originally from Ireland, through New York where he managed both bars and restaurants. Stop by the Beach Club and give him a warm welcome!
