

## OUT & ABOUT at THE SHORES \* JANUARY\*

## **Hello All:**

As we end a very challenging year, we all look forward to a promising new year and welcome 2021! However, remember, we are not out of the woods yet. While 300,000,000+ Americans wait to get vaccinated, or herd immunity, we still have to mask up, maintain social distance and remember to wash our hands several times a day. I know you've heard this before and are probably tired of hearing it but it's worth repeating. We want to get back to normal!

**Projects in Progress:** The Beach Club pool upper deck is just about finished with the new glass wall system. By the time you read this, it will most likely be done. During the first week of January we will reopen the Beach Club pool but it will be without heat through the end of March. Due to the ongoing health restrictions, we will keep the spas and BBQ's closed until further notice.

**2021 Projects:** Some of the maintenance and upgrade projects we have scheduled for 2021 are; resurfacing tennis courts #1-6, replace the lights on courts #2-3 with LED lights, replace all the BBQ's at the four pools and finally, improve the landscaping at the south campus. We also anxiously await Avenida del Sol to reopen and enjoy the landscape upgrades provided by the Hotel Del.

The COVID pandemic "lemon" brought us a technological "lemonade" in regards to our monthly L&R meetings. Prior to COVID we held the monthly meetings inside the Roeder Pavilion and usually had only a handful of residents attending. Now, like most meetings these days, we use Zoom and our attendance has doubled. We will most likely continue with Zoom meetings even after the pandemic.

On behalf of the L&R Committee, management and staff, I would like to wish you all a very safe and *Happy New Year*.

Jerry McDonald, CCAM, PCAM General Manager

## JANUARY 2021
