

OUT & ABOUT at THE SHORES *FEBRUARY*

Hello All:

Still in Purple: Even though the Governor recently lifted the Stay-at-Home order we are still in Tier I (Purple), which has the most restrictions on normal operations. We will continue to keep the swimming pools open but with reduced hours. The tennis courts will remain open but the Beach Club, Health Club, Roeder Pavilion, the spas and BBQ's will remain closed until further notice.

Tennis Courts: Tennis courts #1-6 will be resurfaced this May and will be closed for about a week for that project. Courts #2-3 will have new LED lights installed sometime in March or early April. I will let you know about those dates as we get closer.

Beach Club Upper Deck: We are close to finishing construction of the upper deck at the Beach Club. That pool will reopen in April. We have ordered two fire tables for the upper deck and those should be operational by April.

Beach Club: Speaking of the Beach Club, during this time of closure we took advantage of it and did some minor remodeling. I think you will be amazed when you see it. I want to thank our chair, Jan Zobrist, for working with the Beach Club manager, Mick Cagney, and the Beach Club Sub-committee on those ideas. It will lead us into some possible long-range remodeling over the next few years. In the meantime, as soon as we get into Tier 4 (Yellow), then we can reopen the Beach Club for indoor activities. Yes, Yellow.... 😞.

Avenida del Sol Update: I wish I knew when Avenida del Sol will reopen, but the best I can tell you, is that it will be a few more months. Although the cul de sac has been raised nearly 5 feet there is still more utility work to finish before the street is paved and the landscaping is completed. I will keep you informed by my Weekly Updates sent out to the building managers by email at the end of each week.

Zoom Meetings: Like most of the world, it looks like we will be having Zoom meetings for a while. Most people actually say they prefer that because they can "Zoom in" from the comfort of their home or anywhere else they might be.

Jerry McDonald, CCAM, PCAM
