

OUT & ABOUT at THE SHORES *MARCH*

Hello All:

Yes, We Are Still in Purple: Yes, unfortunately we are still in Purple but there is Red on the horizon. When that happens, we will open the Health Club. The Roeder Pavilion will remain closed.

Tennis Courts: As a reminder, tennis courts #1-6 will be resurfaced this May and will be closed for about a week for that project. Courts #2-3 will have new LED lights installed sometime in the very near future. Also, the fencing damaged by the wind storm a few months ago will be replaced about the same time as the LED lights install. I will let you know about those dates as we get closer.

Beach Club Upper Deck: I know we keep saying this but we are close to opening the upper deck at the Beach Club which means we will be able to open the entire Beach Club pool area, mainly for sunbathing, as the pool will remain unheated through April. We have ordered two fire tables for the upper deck and those should be operational by April.

Beach Club: Speaking of the Beach Club, we will start window service when the upper deck is reopened. We will open for inside service once we reach the Yellow tier. This may change if the County Health Department revises the restrictions. During the past year we took advantage of the closure and did some minor remodeling.

Avenida del Sol Update: The latest news on the Avenida del Sol project indicates that it should be reopened by May or June. This includes the street being paved, landscape improvements on both sides of the street and a new intersection with a traffic light on the Strand. The Del has also started construction on their new 174 condos.

Annual Shred Event: We are having our Annual Shred Event on May 7th from 9am-12 noon in the parking lot directly outside the L&R office. This event was cancelled last year due to Covid-19. This is free to residents of the Shores.

Daylight Savings Time: Sunday, March 14th. Don't forget to move your clock ahead by one hour. Remember, "Fall-back, Spring-Forward".

Zoom Meetings: Due to the pandemic, we will continue with our Zoom meetings. I think everyone is getting used to them by now.
